

“**TOXIC CHEMICALS THAT  
CAUSE CANCER ARE IN  
THE WATER RIGHT HERE.**”

All over Michigan, there are thousands of water danger zones just like it. Medical studies show not just links to cancer, but pregnancy complications and weakened immune systems, which may leave us more vulnerable to coronavirus.

**DONALD TRUMP** OPPOSED A BIPARTISAN PLAN TO CLEAN OUR WATER.”

PFAS are linked to cancer, hypertension and other diseases—  
once they're in your body, they never go away.

**But Trump is ignoring the science and experts** who  
recommend regulating these chemicals to protect our health.  
His administration opposed stopping corporate polluters from  
letting these forever chemicals seep into our water supply.
