MICHELLE STEEL

HELPS HERSELF AND HER DONORS,
BUT NOT YOU.

SE AYUDA A SÍ MISMA Y A SUS DONADORES,
NO A TI.

REWARDING HER DONORS PREMIANDO A SUS DONADORES.

When Steel was a County Supervisor, she awarded a John Wayne Airport contract to one of her big donors instead of a more qualified business.¹ She even tried to sell public land below market value to one of her donors, resulting in a grand jury investigation.²

TAKING MILLIONS IN CORPORATE CASH RECIBIENDO MILLIONES EN DONACIONES CORPORATIVAS.

Since entering Congress, Steel has taken over \$4 million from corporate interests — including over \$150,000 from Big Oil³ — while voting against a bill to stop gas price-gouging and making up to \$50,000 from oil royalties.⁴
